# How to Calculate Your Fair Share Investment

The Clarinda Chamber has found that the fairest and simplest method of calculating investments is by having as few business categories as possible.

The amount of investment is the base rate (that every business pays) plus the number of employees.

**The Base Investment Rate for 2018 is \$260.00**

There are four business categories. Please select the category which best applies to your business.

- 1. Financial Institutions:** Base rate of \$210.00 plus \$77.00 per one (1) million dollars in deposits or fraction thereof.
- 2. Utility Companies:** Base rate of \$260.00 plus 87¢ per unit serviced (Hook-up).
- 3. Professional Businesses** (Lawyers, Doctors, other licensed professionals.): Base rate of \$260.00 (covers one licensed professional) plus \$100.00 for each additional licensed professional, plus 23.00 for each non-licensed employee.

**4. General Business Group:** This group contains all the other businesses including retail, service, and restaurants. To figure your "Membership Investment" in this group, simply take the total number of employees in your business and insert the number of employees into the appropriate categories.

For example, if your business has 18 employees; two would be covered under the base rate; the next five employees would fall into Category B; the next 8 into Category C; then the final three into Category D (for a total of 18 employees). Then calculate each category out and add together to receive your "Membership Investment" total, in this case - \$504.25.

Example — 18 Employees:

Category A: First 2 Employees	<u>2</u> x xxx = <u>\$260.00</u>
Category B: Next 5 Employees	<u>5</u> x \$23.00= <u>\$115.00</u>
Category C: Next 8 Employees	<u>8</u> x\$14.50= <u>\$116.00</u>
Category D: Next 15 Employees	<u>3</u> x\$ 7.75= <u>\$ 23.25</u>
Category E: Next 20 Employees	x\$ 5.75= \$ ____
Category F: Next 50 Employees	x\$ 4.50= \$ ____
Category G: Next 100 Employees	x\$ 1.50= \$ ____
Over 200 Employees	By Agreement
TOTAL	= <u>\$514.25</u>

If your business has over 200 employees, your investment is calculated differently. Please contact the Chamber office at 712-542-2166 for more information.

## Associate Membership

Clarinda Chamber of Commerce encourages community members who are not owners or official representatives of a business to become investors in our efforts at a reduced rate. Associate memberships are available for \$50 per year.

## Community & Retail Promotions

The goal of Community & Retail promotions is to promote Clarinda and its businesses through events, promotions and advertising, therefore enticing people to shop at Clarinda businesses.

To participate in this committee there is an additional fee of \$100. This committee does fundraising events to help keep the membership dues minimal.
