RE: 2020 Clarinda Craft Carnival Canceled

The Clarinda Craft Carnival scheduled for Saturday, October 17 has been canceled due to the current COVID-19 pandemic. The Chamber of Commerce Board of Directors and Craft Carnival Committee made this difficult decision to cancel the event in the best interests and safety of our exhibitors, volunteers and community members. We look forward to having next year's Clarinda Craft Carnival scheduled for Saturday, October 16, 2021.
