Director's Corner

BY ELAINE FARWELL,
 CLARINDA CHAMBER OF COMMERCE EXECUTIVE DIRECTOR

Happy New Year – 2024! I would like to thank all of our Chamber members, community volunteers, and board of directors for their support during 2023. The Chamber Board of Directors and staff were blessed with a very successful year hosting numerous events, community beautification improvements, installing the new downtown music speaker system, completing the upper story apartments and various business development projects.

The Chamber Board of Directors is pleased to welcome three new board members this year, Maggie Brown-Clarinda Regional Health Center, Amber Cabeen-First Interstate Bank and Adam Samuelson-Fareway Meat & Grocery. We would like to give a special thank you to Bethany Muller and Cassie Sunderman for their years of service on the Chamber Board of Directors. The Chamber Board of Directors and staff are committed to enhancing the community at all levels through numerous programs and projects that make a positive difference in Clarinda.

The Chamber Annual Banquet is scheduled for Monday, February 12, at the Clarinda Country Club. We are excited to have guest speaker Juli Burney as our keynote speaker for this year's upcoming event. She is an award-winning motivational humorist, communication specialist, assistant professor and author. Her theme is, "Those Who Laugh, Last", and with life's constantly changing landscape, especially since the pandemic, people are struggling to stay positive and move forward. The best way to do that is with a sense of humor. Everyone has a sense of humor; they just don't use it to their potential. It shows that you can remain cool under pressure and keep problems in perspective. This is when a sense of humor is essential. Humor helps create a productive environment and strengthens relationships. Understanding the joy of your journey allows you to go the extra mile and take ownership of your life so that you can achieve any possibility.

We sincerely appreciate the generosity of our banquet corporate sponsors – Bank Iowa, Clarinda Regional Health Center, Cornerstone Bank, Eiler Place, EZ Way, Inc., First Interstate Bank, Hy-Vee Food & Drug Store, Lisle Corporation, Midwest Data, NSK-AKS Clarinda Campus, and PCSB Bank for sponsoring the keynote speaker. Jake Jobe of Bank Iowa, Heidi Davis of PCSB Bank and Baillee Warren of Hy-Vee Food & Drug Store are serving on the banquet planning committee. The banquet is an opportunity to recognize our Chamber Committee Chairpersons and volunteers, announce the Spirit of Clarinda Award recipients, network with area business leaders, and listen to a highly motivational speaker.

You will find enclosed a Chamber banquet invitation as well as a Chamber committee sign-up sheet. Volunteering to serve on a Chamber committee is your opportunity to voice your ideas and join with other Chamber members who are a vital part of what makes Clarinda unique. We hope you will make plans to spend a very entertaining evening at the Chamber banquet. Best wishes for a prosperous new year!

SUMP INSURANCE, INC.

Scott purchased the agency on 01/01/01 from Don and Donna Lee Buch. Taylor joined the agency in 2013 who along with Kathleen Lorimor, Bobbie Jo Allbaugh and Randy Walters assist customers with their insurance needs. We are very fortunate to have so much experience in our office as the 5 of us combined have been in insurance for over 100 years.

The agency is appointed in Iowa, Nebraska, Missouri, Kansas, & Arizona and offers most types of insurance. The agency is known as an agricultural agency offering crop and farm insurance but also assist with many in their personal and business insurance needs.

We have been working with automated crop insurance "ACR" for the last 12 years which has been very beneficial for our crop insurance customers. ACR allows farmers to use the data the planter and combine generate to report both acres and production to FSA and their crop insurance company. It has been a tremendous timesaver for the farmers and we are proud to be one of the first in the nation to offer this service.

Our agency is proud to provide exceptional service to our insureds and serve Clarinda & the surrounding communities. We are also proud to give back to the community with monetary donations and also with our time by serving on many boards thru the years. SANTA'S HOUSE RENOVATIONS

Over the past few months, Santa's House in Clarinda has undergone significant enhancements, ensuring that this beloved holiday tradition remains a magical experience for all local families. Recognizing the need for repairs, the City of Clarinda's Maintenance crew, led by Adam Brown, dedicated themselves to the entire renovation process.

Working in collaboration with generous local businesses, the transformation of Santa's House was made possible through the support of the Clarinda community and the strong work ethic of the city's crew. The renovation journey kicked off with Hoskin Exterior solving the issue of three boarded up windows by the installation and donation of five new windows. Hoskins Exteriors provided the perfect fresh start for the festive house.

The Clarinda Chamber of Commerce's Community and Retail Promotion Committee added their touch with a fresh coat of paint, courtesy of Easter's True Value. Santa's comfort was prioritized with a donation of the perfect chair from D&D Treasures, and Akin Building Center contributed new flooring expertly installed by Chris Cabeen.

As the project progressed, Cheyenne French of Whispering Pines Boutique & Home Décor adorned Santa's House with beautiful Christmas decorations, creating a warm and inviting atmosphere. H&H Trailers contributed a second set of durable aluminum stairs for the entrance plus ensuring accessibility for all visitors with a ramp.

Recognizing the importance of a welcoming exterior, BA Marketing & Publicity stepped in to update the signage with a fresh and modern design. To add a final touch of elegance, Fine & Sons Home Builders, Inc. provided and installed new evergreen-colored aluminum casing for the exterior trim on all windows and doors. Owners James & Jennifer Fine also contributed a warming carpet runner for the interior, completing the transformation.

Heartfelt thanks are extended to the City of Clarinda, the dedicated businesses, the Clarinda Foundation and individuals mentioned above. The Clarinda community is deeply grateful for the collaborative effort that brought this project to fruition. Witnessing the community come together to refresh Santa's House has been a heartwarming experience, and the joy it brings to children and parents alike is truly appreciated.

Amber Cabeen is the Retail Manager II at First Interstate Bank in Clarinda and Bedford. She has 12 years of experience in helping the community with their financial needs. She started her career in banking as a teller in 2012, quickly accepting a management role the next year. In 2018, she expanded her financial expertise, and added the Bedford location to her responsibilities. She now splits her time between the two locations. Since the merge to First Interstate Bank in 2022, she has tried to focus more on community involvement. This includes volunteering when opportunity arises, and becoming more involved in community events and organizations. Amber's primary responsibilities as the Retail Manager are the day-to-day operations of the branch. These responsibilities include developing employees, attaining sales goals, growing revenue through increased lending activity, and delivery of great client care to each and every customer.

Amber was born in Guam on the naval base, and moved several times before settling in southwest Iowa in the 3rd grade. She attended South Page Community School, moved to Clarinda when she was 18, and has been residing there since. She has a 5-year-old son, Coen, as well as 3-year-old twin sons, Westin and Greyson. Her husband, Chris, works in the construction industry, servicing the Southwest Iowa area. When not working, Amber enjoys warm weather, golfing, swimming, listening to music, and spending as much time as possible with family and friends. Amber is very excited to join the Chamber Board, and can't wait to become more involved and see what kind of impact she can help make in the community.

His early musical influences were Elvis Presley, Buddy Holly, Hank Williams, The Oak Ridge Boys, Frank Sinatra, Nat "King" Cole, Tony Bennett, Glenn Miller, and Tommy Dorsey. A piano student of Atlanta's Harris Wheeler, Nick was encouraged to pursue music professionally. Nick continued his studies in college under the tutelage of Donald Sanders at Samford University in Birmingham, Alabama. During this time he was awarded runner up in the 1997 Alabama Collegiate Artists Piano Competition. He graduated from Samford University in the spring of 2000 with a Bachelor of Music degree in piano performance.

In 1998, Nick became the featured male vocalist with the Glenn Miller Orchestra. He worked with the Glenn Miller Orchestra for one year, taking a year off from college, and then returned to school to finish his degree. After earning his degree in 2000, Nick returned to his singing post with the Glenn Miller Orchestra, performing an average of 300 shows a year in venues like the Hollywood Bowl and New York City's Birdland. His touring has taken him to all fifty United States, Canada, Mexico, Europe, South America, and Japan.
