CLARINDA NEWCOMER'S GUIDE

The Chamber of Commerce promotes Clarinda on a daily basis. We are a non-profit community based organization who works directly with community leaders. The Chamber is involved with the community at all levels. We answer inquiries for community packets, tourism requests, real estate, and most importantly business referrals. Our organization plans and organizes numerous community events throughout the year, led the Clarinda Downtown Revitalization efforts, and assists with business development projects. The Chamber office has available highway state maps, local phone books, and apartment/rental property listings.
