PAGE COUNTY FAIR

It's almost that time once again! The Page County Fair is right around the corner! The theme for this year is "Lasso Your Legacy" and it will be held July 21st-27th.

There is something for everyone at the Page County Fair, from watching the livestock shows, attending the grandstand events, eating at the Clover Café during the day or the carnival at night with games, food booths and fun. Please watch the Page County 4-H Facebook page and the Page County Fair – Clarinda, Iowa Facebook page for updates and more information throughout the fair.

Many events happen before the fair. The Clover Kid pre-fair events include Cupcake Decorating, project show and tell, Clover Kid Table Setting, and Clover Kid Awardrobe. The 4-H pre-fair events are as follows: Milk Made Magic, a competition where youth prepare food products using milk based products that cannot be exhibited at the fair; Cook This, where each age division has different challenge items to use in their recipe; Awardrobe, where youth model clothing for fashion review, clothing selection, \$20 challenge and/or innovative design; Table Setting where youth can compete in the formal or casual division; Communications, which includes educational presentations, working exhibits, extemporaneous speaking and share the fun; Fair Shoot for the Shooting Sports club members; and Cherry Pie Contest. Pies are made at Wibholm Hall Kitchen and auctioned off at the Kick-off BBQ.

All 4-H and FFA members will join the Page County Fair Board to set up the Page County Fairgrounds on July 19th. They will work on getting pens, stalls, and cages set up and ready for animals. They will be preparing their carnival booths, setting up for judging, and getting the fairgrounds ready for the week of events and activities.

Monday, July 21st – The Cake Boss and Cookie Decorating will take place in Wibholm Hall 1:00 pm-3:00 pm. Exhibitors will bring their cookies already decorated and ready for judging. While the cookies are being judged, Cake Boss participants will be decorating their cakes at the event. Come watch these creative youth decorate their cakes! The Fair Kickoff BBQ will start at 5:00 pm with the awards portion beginning at 6:00 pm. The Fair Queen Coronation, Little Mr. & Miss crowning, Endowment Scholarship Awards, Senior Recognition, 4-H Hall of Fame recognition, State 4-H Recognition, and the cherry pie and cupcake auction will take place during the awards portion.

A Note from the President

BY BECKIE FINCH,
CLARINDA CHAMBER OF COMMERCE PRESIDENT

Hello Clarinda – Happy Summer!

As summer gets underway, the Clarinda Chamber is excited to share some recent highlights and community successes. We wrapped up May with our always-popular Chamber Golf Tournament and launched June with two fantastic events: the 11th Annual Cruzin' Clarinda and Clarinda A's Chamber Night. These gatherings have become cherished traditions for our community and the surrounding region—and they wouldn't be possible without the generous support of our Chamber members, dedicated volunteers, and incredible community.

Chamber Golf Tournament – A Swinging Success!

Held on May 22nd, the Chamber Golf Tournament was a major success, featuring 34 registered teams and support from a record breaking 77 corporate sponsors. Golfers enjoyed a delicious lunch from The Garrison House, with snacks provided by Hy-Vee Food & Drug Store, Fareway, Sonrisers Popcorn, and Smith Vending Canteen. Thanks to the generosity of our Chamber members, we gave away a wide variety of raffle prizes. Congratulations to Fine & Sons for securing 1st place!

11th Annual Cruzin' Clarinda – A Record-Breaking Event

Even with our 11th Annual Cruzin' Clarinda event being postponed a week due to rain, on June 11th, downtown Clarinda came alive with more than 175 vehicles—cars, trucks, jeeps, motorcycles, and race cars—lining our beautiful Square. Attendees enjoyed perfect weather, admired unique vehicles, and explored over 25 vendor booths offering great shopping and tasty food. A special thanks to Chairman Josh Wyman, Greg Butt for taking the lead on the postponed date, and the outstanding committee for their hard work in continuing this vibrant tradition. Be sure to mark your calendar for the 12th Annual Cruzin' Clarinda on June 6, 2026—you won't want to miss it!

Clarinda A's Chamber Night – Community Spirit in Full Swing

On June 11th, we hosted another fun-filled Clarinda A's Chamber Night, welcoming a great crowd and perfect ballgame weather. Thanks to the support of our generous business sponsors, we handed out over 175 prizes throughout the game. The Clarinda A's faced off against the Nevada Griffons, and the evening was a true celebration of local pride and community spirit.

As always, it's an honor to serve as the Chamber President and to work alongside the incredible people of Clarinda. Thank you for your continued support—and from all of us at the Chamber, have a safe and joyful summer!

SONRISERS POPCORN

Sonrisers Popcorn Celebrates 25 Years of Sweet Success and 10 Years of Community Smiles

This year marks a special milestone for Sonrisers Popcorn. This family-owned business has brought kettle corn's irresistible smell and taste to festivals, fairs, and front porches for 25 years. Even sweeter, the retail shop many locals have come to love is also celebrating its 10th anniversary.

Brenda and James Martin, founders of Sonrisers Popcorn, started popping kettle corn with a simple goal: to bring joy to their community with a faith-based business grounded in quality, integrity, and

kindness. Over the years, what started as a small, local venture has grown into a beloved brand that's served up smiles across Iowa and beyond—at events, in grocery stores, and right from their cozy retail location.

To celebrate this incredible journey, Sonrisers Popcorn is throwing a Customer Appreciation Day at their retail shop (details to come). This special day will feature a meal, free kettle corn, giveaways, and a chance to connect with the Martins. Guests can look forward to a commemorative anniversary t-shirt available for purchase—and for some lucky visitors, as a giveaway!

In addition, Sonrisers is rolling out "Throwback Pricing" at select kettle corn events throughout the season as a thank-you to the community that's supported them every step of the way.

"We're so grateful for the support of our customers over the years," said Brenda Martin. "Whether you've picked up a bag at a local festival, stopped by our store, or stocked your shelves with our popcorn, you've helped us keep doing what we love."

Sonrisers Popcorn continues to pop with purpose, staying true to its roots while embracing the future. We invite everyone to join in the celebration—because at Sonrisers, every kernel counts, and every customer is family.

Follow along on social media and visit sonriserspopcorn.com for upcoming event dates, celebration details, and more ways to get involved.

Here's to 25 years of kettle corn, 10 years of retail, and countless more ahead!

CL FABRICATION

CL Fabrication was incorporated May 7, 2010 and began business in the previous Hineline Furniture building located at 420 South 8th Street in Clarinda. This was totally done "on a wing and a prayer," because we had no idea what we were really going to be doing. Crazy, I know! At first, we just did some odd welding and fabricating jobs then, in 2011, we started manufacturing our very first tree pullers. They were a hit, so the next year we started manufacturing a wider variety of skid steer attachments. That total is well over 30 now, with the newest being a Brushcutter. This

product mounts to the front of a skid steer and can cut trees and brush up to 10" in diameter. We diversified our product line in 2022 when we added head transport trailers to our lineup. These trailers are used to haul corn or bean heads down the road. All of our products are manufactured, blasted/powder coated, and assembled right here in Clarinda, Iowa. We have sold all over the United States, Canada, and a few foreign countries. We use our own private brand, both for the head transports (Hull Mfg.) and the skid steer attachments (CL Fab), with our top seller being the "Dominator" tree and post puller. Our CL Fab name is building a nationwide reputation for being one of the best in the market, being "built super tough!" and "high quality!" Several of these products are patented or are patent pending.

This year marked our 15th Anniversary and many changes have occurred in those 15 years! To start, we went from 3 employees (Curtis, Lisa, and Lisa's dad, John Minard) to currently 17 full-time and 5 part-time employees. After purchasing our 14' press brake in 2012, the next major purchase was another processing item. We had been trailering our products to St Joseph, MO for powder coating. Seeing the need and benefit to having this done in-house, we decided to put in our own blast and powder coat system. In 2017, we purchased Katie's Greenhouse property, and in August of 2022, the buildings were removed to make the property a loading area for our products. In 2018, we purchased another processing item, our first Mitsubishi laser. In 2024, we added an 8,400 square foot hoop building to the south of the existing building to store our inventory. Currently, we are remodeling our offices to add more office space and next year, 2026 -2027, we will be preparing for an expansion to the East. We are looking forward to the future and are excited to see what the next 15 years will bring.

The business is owned and operated by Curtis, Lisa, and Jacob Hull. To learn more about CL Fabrication, Inc., or to see a complete list of our product line, please visit our web page at www.clfab.com or find us on Facebook.

With the excitement of a new school year just around the corner, the Clarinda Parent Teacher Association (PTA) is gearing up for our annual Back to School Bash on Monday, August 18, from 4:30 to 6:30 p.m. This cherished community event, held outside on the north side of the Clarinda Community School PK-6 Building, brings joy to children and families throughout the area.

Thanks to the generous support of corporate business sponsors, the Back to School Bash remains **FREE** for all attendees. Each year, over 300 children and their families gather for a delightful array of activities, including bounce houses, face painting, and a hearty serving of hot dogs, chips, and beverages.

To ensure the continued success of this favorite event, we kindly request your financial assistance as a corporate sponsor. A sponsorship contribution of \$75, payable to the Clarinda PTA, goes a long way in making the Back to School Bash a memorable experience for our community. In recognition of your support, your business will be prominently featured on the event banner and in our social media posts.

Furthermore, we invite you to take advantage of this opportunity to showcase your business by hosting a free marketing booth or sponsoring a children's activity or game at the event. It's a fantastic way to engage directly with families and demonstrate your commitment to supporting Clarinda's youngest generation.

If you're able to support us as a sponsor or would like to participate in the event with a marketing booth or activity, please fill out the attached form and return it to the PTA by July 15. Your contribution and involvement are invaluable in ensuring the success and continuation of this cherished community tradition.

ADOPT-A-CLASS

What is it?

Adopt a Class is a fun program where local businesses “adopt” a classroom for the school year.

The goal is to build positive connections between students and supportive adults in the community.

How it works:

A business is matched with one classroom for the year.

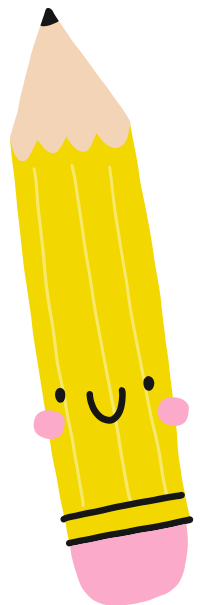

The business visits the class at least once each quarter.

Businesses are encouraged to invite the class to their business for the last quarter visit.

During visits, the business shares fun, hands-on activities and talk about:

- What they do at their job
- How they help the community
- Values like kindness, teamwork, and responsibility
